ANNUAL CLEARING SALE.

Our Annual Clearing Sale is eagerly watched for, not only in this city, but in every city, town and hamlet within 100 miles. It is a time of golden opportunities for buyers—first, because we give manifest bargains in staple goods of every-day use, and secondly, because we advertise these bargains EXACTLY AS THEY ARE, without the extravagant exaggeration with which too many newspaper advertisements abound.

This year's sale will be DOUBLY IMPORTANT to us, and for that reason we propose to make it DOUBLY ATTRACTIVE to you. The new building is not ready. The old one is loaded up to the skylights with stocks very much greater than ever before. Our need of room is so urgent that during the last week we had to engage the Lenox Lyceum wherein to hold a special auction sale of furniture and other bulky goods.

Dry Goods, Fancy Goods and all our other various stocks will be closed out RIGHT HERE IN THE STORE at PRICES VERY MUCH LOWER than they can be bought for at WHOLESALE in the BIGGEST KIND OF LOTS. ALL THIS WEEK we will outdo all former sales in the matter of bargain-giving.

We recommend friends and patrons to note well the prices and take early advantage of the sale.

Annual Sale of Muslin Underwear.

It is customary with many retail houses to offer at their January sales all soiled goods, "seconds," and the balance of broken lots at bargain prices. We have particular pleasure, therefore, in asking attention to the following, which are all regular stock, carefully made, of excellent materials and as perfect and desirable in every respect as if sold at regular prices. We consider them, without exception, the very best value in the city.
